RE: Johns-Manville, et al v. Sun  
Insurance Office Ltd., et al

Dear Ed:

Confirming our conversation of yesterday, I attach the complaint as well as the attachments that were served upon Mr. Dunning Lenihan, who is the branch manager of our San Francisco Office. Apparently he was served as agent for the Sun Alliance Group, and I don't know if that service is good or not against the Sun Insurance Office, Ltd. of Canada.

I suggest that you contact Mr. Wilbur J. Russ of Russ & Daniels, 333 Market Street, San Francisco, CA 94105, (415)777-5122. Bill Russ has been doing Chubb work for many years in San Francisco and also is familiar with the Asbestos Litigation, as he presently represents Bell Asbestos Mines, Ltd. for Chubb.

If there is anything further that I can do for you, please do not hesitate to contact me.

Very truly yours,

CHUBB & SON, INC.
